

Administration

Concept and Roles in Administration

The Superintendent shall direct and coordinate the administrative staff in implementing the educational philosophy, and achieving the goals and objectives of the Board of Education, within the guidelines established by Board of Education policy, the laws and employee agreements. The Board of Education expects the administration to demonstrate leadership and to develop good working relationships with the community for the achievement of common goals.

The Superintendent is encouraged to conduct the operations of the school district in a collaborative manner with all Board of Education members, school staff, and the Andover community.
