Administration

Principal

The Principal shall be responsible to the Superintendent. He/she shall develop the educational program of the school in accordance with the needs of the students and within the framework of the established policy for the school district. The teachers and other designated personnel of the school shall be directly responsible to the Principal for the satisfactory fulfillment of the duties assigned to them. The Principal shall administer and supervise his/her school in accordance with policies and regulations prescribed by the Board of Education and the Superintendent. The Principal shall have the following specific duties and responsibilities:

- 1. guide and encourage the school's professional personnel in their educational work and their professional growth so as to secure continuous improvement of instruction and to promote healthy growth and adjustment of the students;
- 2. create an environment wherein teachers and students may achieve mutual understanding, a high sense of morale, and the best possible working conditions;
- 3. take all precautions to safeguard the safety, health, and well-being of students and staff members, including formulation of plans to meet emergencies;
- 4. be responsible for maintaining close and cooperative relations with parents and the community, and interpret them to the educational program of the school;
- 5. keep the Superintendent informed about the conditions and needs of the school district;
- 6. maintain an inventory of supplies, equipment and furniture within the school, estimate the annual financial requirements of the school in conjunction with preparation of the annual school budget, and submit requisitions for supplies, equipment, and other items required by the school;
- 7. provide for office hours within his/her school beyond the school year as needed in order to promote the best interests of his/her school; and
- 8. perform such other duties as may be requested by the Superintendent.

The Principal will be responsible for community relations, administration, business management, personnel, students, and instruction. The Principal further, will exercise direct control through his/her own office over those non-instructional functions which are performed; these would include custodial services, cafeteria operations, transportation, and maintenance of plant and grounds.

The Principal will also schedule and arrange through his/her own office the use of the school building and facilities by outside organizations.
