In following Robert's Rules, a committee must be established to investigate allegations of improper conduct specifically in regards to Board Member Marcie Miner.

Marcie Miner feels she is being silenced. Shared feelings about this meeting and the process.

4. Comments from the Public on Agenda Items

- Louise Goodwin: First time hearing of this. Can we see the letter?
- Robert Hamburger: reminded that a proposal of a panel is for investigation purposes. Concerns of the idea this is to “protect the board”. Felt the evidence was already public information but corrected his comment when told the evidence to investigate was not public or published.
- Kirstina Frazier: All set.
- Jen McGoldrick: All set.
- Liz Lokiec: Feels there is a right to free speech and afraid this is a witch hunt.
- Dianne Grenier: Commented that this is sad. Feels it is a witch hunt. Looks forward to an investigation.
- Kim Person: Echoes Grenier. This is awkward. Someone should just have talked to Marcie privately.
- Ron Langlois: This is disturbing. This should have been private. I logged on to see about the budget since you have a high budget. Look forward to the outcome.
