IAQ Reporting

Effective January 2024 and annually thereafter, each local and regional BOE shall provide for a uniform inspection and evaluation of programs of the indoor air quality within each school building using the Environmental Protection Agency's Indoor Air Quality (IAQ) Tools for Schools Program. §CGS 10-220(d), PA 22-118 and PA 23-167.

To conform to this mandate, AES will complete the 6 required EPA Tools For Schools Checklists and post them online on the AES website. Annual compliance reporting will be the responsibility of the Superintendent of Schools.

The six checklists include:

- Food Service
- Waste Management
- Integrated Pest Management
- Walkthrough Inspection
- Building and Grounds Maintenance
- Ventilation

For more information on IAQ reporting, please contact Superintendent Valerie Bruneau directly.
